

CAPTURE[®] a better viewing experience.

- Advanced Optical Projection Surface for Large Venues
- Fully Visible Images in High Ambient Light
- Superior Contrast Levels
- Reduced Projector Power — **UP TO 50%**
- Extremely Durable and Vandal Resistant
- Ideal Applications:
 - Houses of Worship
 - Digital Signage
 - Staging & Rental
 - Arena & Concourse
 - Lobby & Public Space
 - In Place of Rear Projection
- The Indoor LED and Video Wall Alternative:
 - Dramatically Lower Cost
 - Reduced Weight
 - Minimized Maintenance

CAPTURE[®] G5

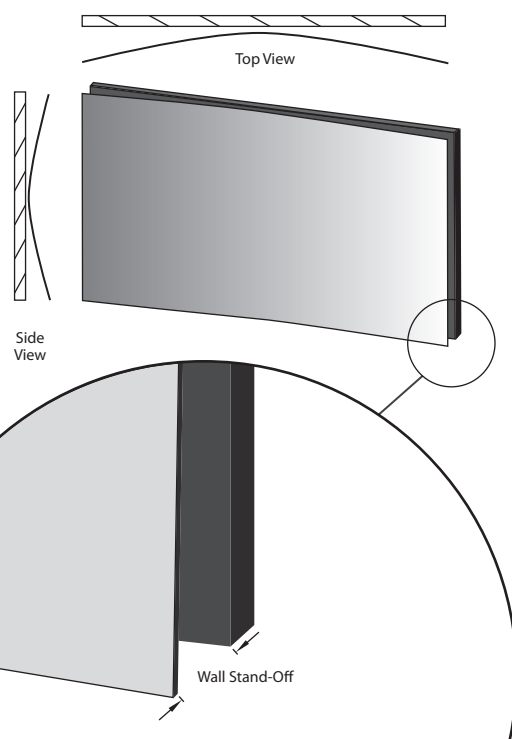

CAPTURE[®] is an innovative optical front projection surface that efficiently captures and uniformly distributes projected light to deliver brilliant images in high ambient lighting conditions with unprecedented gains of up to 5. Not only do CAPTURE Displays cure the traditional screen concerns of ambient lighting, they also overcome the physical weight, power requirements and pricing issues of large electronic displays. CAPTURE Displays have been installed in airports, shopping malls, and religious institutions, among others. Call **417.237.0905** or visit capturedisplays.com to learn more.

CAPTURE[®]
Optical Brilliance. Captured.

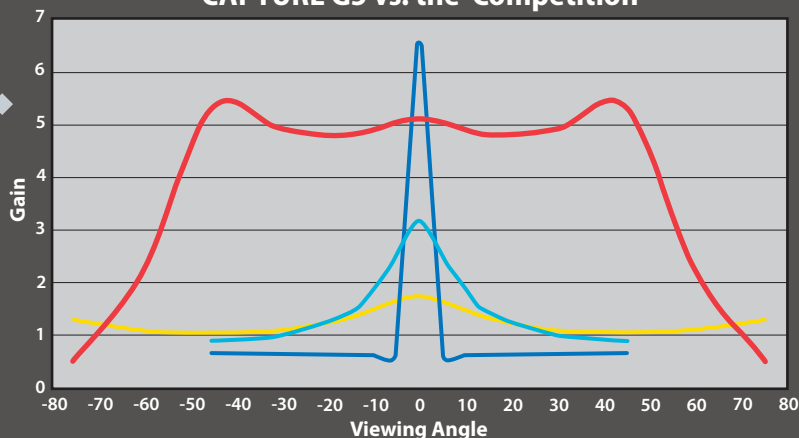

CAPTURE G5

- High ambient light projection display for large venues
- Recommended minimum viewing distance of 25 feet
- Optical-grade surface
- Rigid contoured structure that maximizes image performance**
- Sizes ≤ 100":
 - Seamless single-piece construction
 - VESA 200 mm mounting pattern
 - Use standard wall mount rated for proper weight (not included)
 - Individual screen ships complete in one box
- Sizes 101" – 150":
 - Single-piece construction with minimal seams
 - VESA 400 mm mounting pattern
 - Individual screen ships complete in one box
- Sizes > 150":
 - Multi-piece construction with less than 2 mm seams
 - Use C200 mount (sold separately)
 - Field assembly required
 - Parts ship in multiple boxes
- Options:
 - Trim – Extruded rigid PVC with black velvet covering. Add 4" to image area height and width for trim
 - Additional Sizes – Custom formats and sizes available upon request
